

Race Tracker

Your trusted source for comprehensive election tracking

Save time with our interactive election hub for **House, Senate, and gubernatorial races**. Access a **360-degree view** of **candidates, competitive races**, and the **organizations impacting results** with the **go-to platform for election data and analysis**.

Built for policy & communications professionals, you get:

Interactive Drilldowns

- State-dedicated pages with clickable maps & demographic data
- Candidate biography listings for all primaries and general elections
- Race overviews with polling and demographic data

Integrated Coverage

- Comprehensive election insights - race overviews, political analysis from Charlie Cook, and Hotline reporting
- Dashboards and slide decks for each race, plus a calendar of election dates and deadlines by state.

Reliable Data

- Fundraising and spending timelines, donor and industry insights, plus historical election data since 2014.
- Interactive dashboards and exportable visuals - showcasing polling, demographics, and campaign activity to support strategic analysis.
